

Date	Association	Location of Issue	Issue	Community Contact	Assigned Department	Staff Comments	Status	Timeframe
2/12/2015	Woolen Mills	1900 Chesapeake St	Pumping station improvements are great	Allison Ewing	N/A	Comment from resident no follow up needed	N/A	N/A
2/12/2015	Woolen Mills	1503 Short 8th St	Industrial site should be purchased as a flood plain and redeveloped for use to access the river	Kay Slaughter		City and County are currently working together to plan for the location	N/A	Ongoing
2/12/2015	Woolen Mills		He noted zoning concerns in Woolen Mills and asked Council about timing of small area plans. Residential next to industrial creates problems	Bill Emory	NDS	Work session was held recently on small area plans. Subcommittee is analyzing the data before making recommendations. 4/1/15 - The planning Commission plans to have further discussion on small area planning at future work sessions.	N/A	Ongoing discussions.
2/12/2015	Woolen Mills	1709 E. Market	Need to protect non industrial properties, speeding is a concern.	Robin Haynes	NDS	Comments were forward to Traffic Engineer		There are many requests and city addresses as resources are available.
2/12/2015	Woolen Mills	Meade Ave	Would like to have "your speed is" signs installed. Also poles and painting could assist	Kathy Stone	NDS	Concerns were logged by Traffic Engineer		Traffic Engineer will look out for sign location. April 2015. Painting on Fairway done once and will revisit.
2/12/2015	Woolen Mills	1702 E Market St	Is it possible to do a yellow stripe down the middle of Franklin and Market. It is too dangerous for walking and driving. She also asked about truck signs on Franklin.	Judy Marie Martin	NDS	A sidewalk will be going in on Franklin and is on a list of sight checks in the 2016-2021 CIP	Response provided	Summer 2015
2/12/2015	Woolen Mills	1911 E. Market	Glad there is a corridor plan along the river to inventory the resources	Mary Wolf		TJPDC staff has begun the work and the City will ask for view sheds on the plan		Ongoing. As far as I know we are waiting on TJPDC.
2/12/2015	Woolen Mills	1911 E. Market	Is there a movement toward Green Infrastructure and concern about a hole around a fence at Citywalk	Mary Wolf	NDS	The Rivanna Corridor Plan is moving forward through the PDC. Fence will remain around the basin for safety reasons.		
2/12/2015	Woolen Mills		Public Transit Route 1 does not have Saturday services and creates a hardship for seniors and students cannot get to PVCC.	Lena Seville	NDS	This issue was identified by the Transit Study in 2012-2013. Saturday demand for Route 1 services was almost non-existent and ridership was very low. The decision was made to discontinue Saturday services on Route 1. Council made the decision to follow the consultants recommendations.	We feel the concern is resolved, this was a City Council decision	Done
2/12/2015	Woolen Mills		Meade Park fence needs repairing and traffic flow is horrible and needs police presence	Allison Johns	P&R and PD	City is in the process of selecting a contractor for fence repair.		Fence Repair in the offing - should be complete by the first part of May - will require securing a contractor.
2/12/2015	Woolen Mills	1915 E. Market	Beneficial to include neighborhood in what to do with a pump station	Zan Tewksbury	RWSA	Will be shared with RWSA	No further response needed	Complete
2/12/2015	Woolen Mills		Light pollution, noise pollution concerns from developer to occur in the city.	Virginia Hill	NDS	Ms. Creasy noted that those items would be discussed through the County approval process and we would let them know.		February 2015
2/12/2015	Woolen Mills		Is there any environmental reports on the river? Should people avoid swimming in the river	Kevin Hurst	NDS	The county didn't have new information		February 2015
2/12/2015	Woolen Mills		Biggest portion of work is FEMA due to flood plain. Currently looking favorable, respects residential neighborhood and wants to keep traffic off Market. Hopes the development will be a treasure	Brian Roy-Developer	N/A	Comment from resident no follow up needed		N/A

Date	Association	Location of Issue	Issue	Community Contact	Assigned Department	Staff Comments	Status	Timeframe
